

Seasonal Wreath Materials and Supplies Sheet

You'd be surprised, pleasantly so! at how quickly this little quilt goes together! I love the fact that I can hang it at Christmas time, but also, that I can make other versions to reflect all the seasons of the year! Can't you see it as a fall wreath, with all those beautiful reds, oranges, golds and greens? How about the soft pastels of spring, or the warm and vibrant colors of summer? So many options, so little time!
